CORE SKILL

- Programming
- Problem solving
- Web design
- Database management
- Networking
- Coding Php, python, javascript, java, etc..

CERTIFICATE

- Web development
- Networking

PROFESSIONAL PROFILE

As a dedicated and enthusiastic computer science student, I have developed strong programming skills and a solid understanding of software development principles through rigorous academic coursework and hands-on projects. Proficient in languages such as Python, Java, and C++, I have completed modules in data structures, algorithms, database systems, and machine learning. My internship at Ambo University IT diroctrate provided valuable experience in Network installation and IT infrastructure management. My experience in collaborative team environments, coupled with a passion for continuous learning, makes me a motivated and capable candidate for diverse roles in technology.

EDUCATION

- Bachelor of degree Bonga University in Computer Science (2013-2016 E.C With CGPA 3.72
